Sir,

Subject, Drainage works in Turuvekere Municipality.

With reference to your letter No L.17573/M1 45-47-37 dated 14th June 1948, on the above subject, I have the honour to forward herewith a copy of the letter addressed to me by the President, Turuvekere Town Municipal Council, together with the copy of the resolution passed by the said Municipal Council regarding the same. The first stage of drainage work has been completed so far Unless the second stage of work is taken up immediately, the residents of the Town will not be benefited. I, therefore, agree with the President that it is very necessary to take up the work immediately. The total estimate is for Rs.10,000/-. The Municipal Council have agreed to bear half the cost of the estimate and request that Government may be moved to meet the remaining cost from out of the Town Improvement Grants. This is a poor Municipality and is therefore deserving of the help asked for. At present there is a closing balance of Rs 24276-6-9 at the credit of the Municipality Recently they have taken up the proposal to start a Municipal High School at Turuvekere and the orders of Government thereon are awaited. In these circumstances, I request you kindly to obtain orders of Government for sanctioning a grant of Rs 5000/- to the

With reference to your Memo No A6 1462/47-8 dated 18th June 1948 forwarding copy of letter No L 17573/M1 45-47-37 dated the 14th June 1948 from the Revenue Secretary to Government re the second stage of drainage work at Turuvekere Town, I beg to submit herewith copy of resolution - passed at a special meeting of the Municipal Council held on 23rd June 1948 in the matter and to request that Government may be kindly moved to sanction a grant of Rs 5000/- during 1947-48 alone being a moiety of the cost of the estimate as the Municipal Council is agreeable to bear their share of the cost of Rs 5000/- from out of their funds

I consider that as the first stage of drain work had been completed last year alone, it is necessary to - begin the second stage immediately In this view, it is not desirable to put off this work, Moreover, there are - sufficient funds at the credit of the Municipality

The closing balance on 1st May 1948 was Rs 24276-6-9
